Subject: Communication of Anti-Corruption Measures and Policies (CAC) 2026

Dear Business Partners,

Applied DB Public Company Limited is committed to conducting business with honesty, transparency, and good governance, prioritizing the prevention and combating of all forms of corruption, including direct and indirect bribery.

To ensure that our business operations align with our anti-corruption policy and the guidelines of the Thai Private Sector Collective Anti-Corruption Alliance (CAC), the company requests the cooperation of all employees and business partners in adhering to the following key principles:

1. Refrain from offering, giving, soliciting, or accepting bribes, including any other inappropriate benefits.
2. Avoid giving or receiving gifts, entertainment, or other expenses that may influence business decisions.
3. Comply with all laws, regulations, and requirements related to anti-corruption.
4. Immediately notify the company when you discover or suspect any actions that may constitute corruption. The company will keep the informant's information confidential and provide protection in accordance with its established policy.

Please communicate the anti-corruption policy to your directors, executives, employees, agents, and subcontractors for strict adherence throughout the duration of your business dealings with the company. Details of the policy, measures, practices, and whistleblowing channels are available in the attached document and published on www.adb.co.th (corporate governance page). For further inquiries, please contact the Internal Audit Department at 02-709-4040 ext. 1097-1099, email adb-cg@adb.co.th and adb-ia@adb.co.th.

The company would like to thank you for being a part of creating a transparent business culture, free from corruption, and growing sustainably together.

Best regards,

Mr. Wang Wei Kai

Managing Director
